SPECIFICATIONS FOR 21 INCH COMMERCIAL WALK BEHIND MOWER

1. APPLICATION

- 1.1 These mowers will be utilized by the Parks Department in mowing and trimming of City Parks and Parks' properties.
- 1.2 Mowers will be used on a daily basis throughout the growing season and be subject to rough uneven terrain.
- 1.3 Mowers must be capable of bagging, side discharge and mulching through simple changes in equipment.

2. MODEL

- 2.1 The equipment furnished under this specification shall be new, current year manufacture, that is the latest design and production, completely serviced, ready for operation, and including all standard equipment.
- 2.2 The mower is to be of commercial grade with the following models listed as examples, intended solely to indicate size, type and class of equipment desired.
 - 2.2.1 Toro Model 22177
- 2.4 Do not assume your standard equipment meets all detailed specifications merely because it is listed above as an example.
